Addition to the standard SCM license agreement for the use of ADF.

The following License Terms govern your use of the HP-MPI Software as distributed by SCM in as far as they are stricter than the terms in the regular SCM license agreement for ADF. "The Software" in the following means HP-MPI and the ADF software package in combination with HP-MPI.

**Ownership.** The Software is owned and copyrighted by SCM or its third party suppliers. Your license confers no title to, or ownership in the Software and is not a sale of any rights in the Software. SCM's third party suppliers may protect their rights in the event of any violation of these License Terms.

**No Sublicensing.** You have no right to further sublicense the Program, nor any other right or license with respect to the Program.

**Copies and Adaptations.** You may only make copies or adaptations of the Software for archival purposes or when copying or adaptation is an essential step in the authorized Use of the Software. You must reproduce all copyright notices in the original Software on all copies or adaptations. You may not copy the Software onto any public network.

**No Disassembly or Decryption.** You may not disassemble or decompile the Software unless SCM's prior written consent is obtained. In some jurisdictions, SCM's consent may not be required for limited disassembly or decompilation. Upon request, you will provide SCM with reasonably detailed information regarding any disassembly or decompilation. You may not decrypt the Software unless decryption is a necessary part of the operation of the Software.

**Transfer.** Your license will automatically terminate upon any transfer of the Software. Upon transfer, you must deliver the Software, including any copies and related documentation, to the transferee. The transferee must accept these License Terms as a condition to the transfer.

**Termination.** SCM may terminate your license upon notice for failure to comply with any of these License Terms. Upon termination, you must immediately destroy the Software, together with all copies, adaptations and merged portions in any form.

**Export Requirements.** You may not export or re-export the Software or any copy or adaptation in violation of any applicable laws or regulations.
